

REUBEN SEYRAM KOMLA AGBOZO

I AM A 「USER BEHAVIOR ARCHITECT」

PROFESSIONAL SUMMARY

I am a researcher (User Behavior Architect), I solve real-world problems by understanding how people naturally interact with technology and systems. I identify where frustration, errors, and inefficiency occur, then design solutions that work with human behavior; not against it. My expertise lies in conducting user research, analyzing data to understand user needs, and applying design thinking to develop ergonomic and user-friendly solutions. Rather than simply designing interfaces, I design for how people behave in real-world situations. #Human Factors.

CONTACT

- 🏠 Xixi Road, ZJU, Hangzhou, China

SKILLS

- Research
- Prompt Engineering
- Problem Solving
- Data Analysis
- Innovation & Management
- Product Research
- Machine Learning
- Knowledge graphs: Cypher Queries, Neo4j
- Python
- Curriculum Development

RESEARCH INTERESTS

Human Systems Interactions, Cognitive Intelligence Manufacturing, Sustainable Smart Manufacturing

EDUCATION

Zhejiang University (ZJU)

Doctor of Philosophy (PhD)
Industrial and Systems Engineering (ISE) /
Mechanical Engineering
Specialization: Designing for Driver well-being:
Human Workload Considerations in Smart
Vehicles.

Sep 2021 - Present; Hangzhou, China

Lanzhou University of Technology

Master of Engineering (MEng)
Mechanical Manufacture & Automation
Specialization: Digital Image Processing for
Quantitative Metallography

Sep 2017 - June 2020; Lanzhou, China

University of Ghana

Bachelor of Science in Engineering
Process Engineering
Specialization : Plant Design

Sep 2011 - June 2015; Accra, Ghana

WORK EXPERIENCES

(a) Research Experience

Siemens, Shanghai

Research Assistant

Data-driven Neo4j knowledge graph for low-carbon
manufacturing processes

Sep 2022- August 2023; Shanghai, China

Lanzhou University of Technology

Research Assistant

Assisted in designing research methodologies, for
instance, designing image processing
methodologies for metallic blob detection using
machine vision techniques (e.g. Mask RCNN)

Aug 2020 – Aug 2021; Lanzhou, China

Akosombo Paper Mill Ltd. Ghana

Product Research Analyst – Contract

Co-Led a product & market research project for APML on the
tissue paper industry in Ghana and West Africa for APML for
strategic expansion.

June 2015 – June 2016; Accra, Ghana

CERTIFICATIONS

BSI Training Academy

ISO Certification; ISO 9001:2015, ISO 14001:2015, ISO 45001:2018
Specialization: Quality, Environmental, Health & Safety Internal Auditing

June 2020; Singapore

American TESOL Institute

Advanced Certification & Certification for Children
Teaching English to Non-Natives using ESL methodologies.
Aug 2017 - Sep 2018; Shanghai, China

Lanzhou University of Technology

School of International Education
Chinese Studies: Language and Culture
HSK IV & V

Sep 2016 - June 2017; Lanzhou, China

PUBLICATIONS

Orcid: <https://orcid.org/0000-0001-8147-7609>
Linkedin: Reuben ASK: Insights & Opinions

ACADEMIC REVIEWER

Journal: International Journal of Precision Engineering and Manufacturing
Conference: 2023 IEEE International Conference on Systems, Man, and Cybernetics, Hawaii, USA

HOBBIES & INTERESTS

- Entrepreneurship & Innovation
- AI & Emerging Technology
- Consulting
- Public Speaking
- Movies, Photography, Music & Paintings
- History & Culture
- News & Media
- Cycling
- Football

(b) Other Experiences

Emerald Hill Design Education Institute

Program Research Lead & Advisor

Innovative Learning Experience Design
Research Innovative Educational Methods(PBL) and Technology, Design Curricula, and Advise Leadership on Implementation strategies.

April 2024 – Present; Hangzhou, China

University of Ghana

Teaching Assistant

Provided comprehensive academic support to students as a lecturer's assistant by organizing tutorials and mentorship across diverse subjects.

Aug 2015 – Aug 2016; Accra, Ghana

School of International Education

Lanzhou University of Technology

Editor in Chief

Founded and led the first editorial and media team for the School of International Education, with focus on the admissions project for international students.

March 2018– Aug 2021; Lanzhou, China

HONORS & AWARDS

Chinese Government Excellent Student Award, 2020
Best Graduating Student & Valedictorian, LUT, 2020

SOCIETIES

Human Factors and Ergonomics Society, USA

- Emerging Country Membership

LANGUAGES

- English Language
Native level /bilingual proficiency
- Chinese
Professional proficiency
- French
Elementary proficiency
